

TRANSFORMING CAMPUS SPACES THROUGH ART

Interactive & Collaborative School Mural Partnerships by Lazyman Art

ENGAGEMENT OPTIONS

1. Full-Service Professional Mural

Turnkey creation from design concept to final varnish. Ideal for high-impact entryway walls, main gyms, or exterior facades requiring detailed artistry.

2. Co-Designed Student Concept Model

Students submit ideas based on school values or campus pride. Bruce curates and integrates these concepts into a master artwork, giving students real ownership.

3. Guided "Paint-By-Number" Community Day

Bruce sketches the pre-approved design and directs students/staff during a structured painting event, performing all final line work and protective sealing.

EDUCATIONAL VALUE & BENEFITS

- **Campus Culture:** Builds lasting pride and deters vandalism through sense of ownership.
- **STEAM Integration:** Demonstrates practical applications of grid scaling, color mixing, and public art production.
- **Inclusive Participation:** Designed so art students, student leaders, and PTO members can leave a legacy.

SAFETY & QUALITY
